

Dridinique Industry

Railroad Tycoon II

2009

DESCRIPTION

Dridinique is a small, agricultural country. Its lack of a feasible mean of transportation has taken its toll on the country, and its economy suffers. Can you build the railroad needed to transport the raw materials to the industrial ports and industry companies?

OBJECTIVES

Bronze: Haul 7,500 Loads by 1950

Silver: Haul 15,000 Loads by 1945

Gold: Hauls 30,000 Loads by 1940

NOTES & STRATEGY

- Start Year: 1907 (Gold: 33 years to complete)
- Sally's Produce>Duff Beer is great starting route
- Pierre Logging>Rose Lumber>Saltaire City a good route after you have enough money
- Tracked or Non-Tracked Versions Available
